ChileSec

Uniting New Mexico's Cybersecurity Community

Meet the ChileSec co-founders! These six cybersecurity professionals share a single vision: **to unite and empower New Mexico's cybersecurity community.**

Driven by our passion for collaboration and growth, we strive to create a vibrant network where diverse backgrounds and expertise converge. Join us in shaping the future of cybersecurity in our state, together.

ChileSec aims to unite and empower the cybersecurity community in New Mexico by fostering collaboration, mentoring, and professional growth.
